

ELJA CAR SHAMPOO

Elja Car Shampoo is used for manual cleaning and protection of passenger cars and vans

- * Removes grease and dirt without affecting the paint.
- * A protective layer is left behind to repel raindrops.
- * Dries without streaks.
- * Beautiful gloss.
- * Highly concentrated = economical to use.
- * Will not damage plastic and rubber.

How do you use ELJA CAR SHAMPOO?

Add approximately 10 cl of car shampoo to a bucket of water, work up a foam and shampoo the car with a sponge or brush. Then rinse with clean water and wipe dry if necessary. Car shampoo may also be used directly and undiluted on the car.
