

Professional moss, mold and green deposit remover

Quickly removes green deposits on roof, terrace, driveway, garden furniture, planters, gravestones, walls, roof windows, driveways, conservatory windows, etc.

Recognized name: Lamox
Registration No: :BE-REG-00198

The perfect product for removing green deposits such as mosses and algae and fungi on clinkers, hardwood, teak, garden furniture and terrace.

SELF-ACTING WITHOUT SCRUBBING

You pour or spray the solution on your clinkers, tiles, garden furniture, wood, ... You should not rinse afterwards.

- ✓ The N°1 moss fighter
- ✓ Lamox has a self-cleaning effect
- ✓ Can be used for many applications (pavers, cobblestones, terraces, tiles, shales, walls, brick, sandstone, natural stone, marble, bluestone, asphalt, glass, garden furniture, wooden structures, etc.)
- ✓ The product is environmentally friendly because it is biodegradable, which means that nature largely breaks down the product itself.

When can I use LAMOX?

For optimal results, treat in weather from 15 °C and a dry period of 1 to 2 days after application.

Where can I use LAMOX?

Tiled paths, garden furniture, driveways, walls, windows, roofs, terraces, fences, gravestones, windows of conservatories,...

Suitable for all materials:

- ✕ Glass: greenhouses, verandas,...
- ✕ Wood: garden furniture, terraces, fences, buttocks, garden sheds, arbors,...
- ✕ Types of metal: Zinc gutters, bronze statues, steel structures,...
- ✕ Plastics: plastic, foil,...
- ✕ Stone: limestone walls, statues, roofs, tiles, gravel tiles,...
- ✕ - Natural stone: marble tombstones, monuments,...

How do I use LAMOX?

For optimal results, treat in weather from 15 °C and a dry period of 1 to 2 days after application. Spray, pour, brush or scrub Lamox with a solution of 10% (1l to 10l water).

DO NOT RINSE

The solution is applied with a backpack sprayer, brush or watering can. You let the product work in and after a few days all the green deposits are removed! The development of green deposits is prevented for many months.

By using this moss remover, you no longer have to scrub away the green deposits yourself. You achieve optimal results with minimal effort.

With 1 liter of Lamox you can treat an area of 10 square meters.

Attention! Do not spray on plants! The agent becomes ineffective when it comes into contact with soap or synthetic detergents.

Use biocides safely. Read the label and product information before use.
